## **CERTIFICATIONS**

- Dynamic Web Development (University of London & Coursera)
- Java programming: solving problems with software (Duke University)
- Bachelor's Degree in International Relations and Diplomacy
- Masters In International Economics
- Trailhead Mountaineer with 31 badges 41650 points

## **EXPERIENCE**

### Orthopaedics Academy

**November 2020 – march 2022**

- Worked with the team on establishing and developing the academy website and supported the marketing and reach out team.

### United Nations Mine Action Service

**2019 – 2020**

- Worked on a volunteer team and we were in contact with some IT matters
- Worked in the field of raising awareness of risks, and was able to enter and influence the minds of many listeners, so I am fluent in the language of communication and persuasion very well.

### ABOUSAADA COMPANY (co founder)

For design and photoshop work

**2016- present**

- The experience I acquired through my work and study provides me with the right skills to work and design websites.
